## LABORATORIO 2.8

Code Beautify XML Viewer interface. The left pane displays XML code. The middle pane contains controls: File, URL, Auto Update, Tree View, Beautify, Minify, to JSON, to CSV, and Download. The right pane shows a 'parsererror' message: 'XML Parsing Error: not well-formed Location: https://codebeautify.org/xmlviewer Line Number 1236, Column 14..'. Below the error is a 'sourcetext' field with a caret cursor.
